

# Privacy Policy for FindAgain Android App

version 0.10

This document details the privacy policy of the android app FindAgain made by Tailwind Breeze AS in Norway.

## **Information collection:**

FindAgain does not directly collect your data, but we use third party services that do.

Google Maps SDK for Android is a map service from Google LLC that collects your position, ip address, phone model, and analytics data. View their privacy policy here. <https://policies.google.com/privacy>. You can also limit their use of your data on the Google Maps app privacy settings.

## **Cookies:**

Cookies are small files used by web pages. FindAgain does not use any cookies, but we link to our web pages from within the app. These pages do use cookies.

## **Security:**

FindAgain app is secure, as we do not collect any personal or behaviour data. Your saved data is stored locally on your phone and cannot be accessed by us.

## **About this privacy policy:**

This privacy policy may be updated over time. The version number under the headline defines the version of this policy document. The latest version will always be linked from the app and website.
